Notes:

- **Note 1:** A transportation incentive of **\$0.40/kg** is provided to the transporter (collector or processor registered with Atlantic Used Oil Management Association) for plastic delivered to a processor located outside the Atlantic and registered with Atlantic Used Oil Management Association.
- **Note 2:** Effective July 1st, 2025, the collector's costs for plastic disposal will be reimbursed up to **\$0.65/kg** for deliveries to the processors from July 1st onward. The applicable rate for deliveries prior to July 1, 2025, is \$0.50/kg. To receive this reimbursement, the collector must submit a separate invoice accompanied by receipts for the related disposal costs in addition to the regular claim form.
