Reduction of the Environmental Handling Charges on Oil and Glycol (Antifreeze)

Dear Members:

Considering the low volumes that is collectable for oil and glycol (antifreeze) in both the Province of New Brunswick and Prince Edward Island, UOMA Atlantic-Atlantique motioned at its April 5, 2018 board meeting that they will be reducing the environmental handling charges (EHCs) on oil, glycol (antifreeze) premix and glycol (antifreeze) concentrate as per the following details :

Products	Reduction	New rates
Oil	\$ 0.02/litre	\$ 0.05/litre à \$ 0.03/litre
Glycol (antifreeze) premix	\$ 0.02/litre	\$ 0.10/litre à \$ 0.08/litre
Glycol (antifreeze) concentrate	\$ 0.04/litre	\$ 0.16/litre à \$ 0.12/litre

This modification to the charges on oil and glycol (antifreeze) will take effect on July 1st, 2018. As such, your remittance due on October 31st, 2018 covering the third quarter will be paid in accordance with the new EHC amounts. The membership agreement states in article 3.2B that a 90 day notice be given to Members when a rate change occurs, however UOMA Atlantic-Atlantique has decided to make this rate reduction effective July 1st 2018 since it will benefit all Members.

The members of the Board, management and personnel of UOMA Atlantic-Atlantique thank you for your valuable collaboration and assure you that they are fully dedicated to fulfilling the organization's mission.
